Session Sneak Peek Build Trust2.jpg

Has your agency encountered obstacles when it comes to building trust with your community and elected officials?

Join us for this Flock Forward session where we'll dive into the challenge of providing public safety services that effectively address today's crime challenges while balancing demands from citizens that these services be equitable, fair, cost-effective, and transparent.

Save your front-row seat to learn how cities and counties from every political background

educate their elected leaders on the efficacy and privacy-forward features of public safety technology.

RSVP Today

P.S. Don’t wait – register before April 15th to save $100 with early bird pricing.
